October 29, 1964

Soviet Union Student Council  
10 Kropotkin Street  
Moscow, Russia

Dear Sir:

On behalf of the United States National Student Association I wish to extend our greetings from the 17th National Student Congress, held in Minneapolis, Minnesota from August 17th through 27th, 1964.

The 17th Congress was the most representative gathering of American students this year, with almost 1000 delegates and observers from colleges and universities all over the United States. In the near future USNSA will issue a publication which describes the activity at the Congress and lists the major resolutions which were passed there.

During the Congress it was our pleasure to host your representative Mr. Andrei Grachev. He was enthusiastically received, I know, by a number of American students, and you can be assured that he was a most capable and effective representative during the Congress.

In conclusion, let me extend our cordial greetings and continued best wishes for the success of your organization during the coming year.

Sincerely yours,

*Stephen J. M. Robbins*
